17th January 2022

REACH Statement of Compliance.

Sumika (UK) are aware of the European Union REACH (Registration, Evaluation and Authorisation (and restriction) of Chemicals Regulations) 2007, including the expansion of the REACH SVHC's list of 223 substances as of January the 17th, 2022.

Suppliers must provide recipients with information on SVHC if those are present above a concentration limit of 0.1%. Due diligence is conducted throughout the supply chain and as far as can be reasonably ascertained, from the evidence and declarations made, Sumika (UK) are compliant with the requirements of these regulations and directives.

Sumika UK do not hold any UK REACH registrations, however we can confirmed with out raw material suppliers that all substances we use in the manufacturing of our compounds, including monomers used to make polymers, have been fully registered with EU REACH or are exempt from registration.

The complete list can be found at the following link:
